

Cooperativa de Pescadores de Tarcoles, R.L. (COOPETARCOLES R.L.)

Country: Costa Rica

Mission: To share the experiences of responsible artisanal fishing in Tarcoles, showing the national and international population that fish workers do their work with honor and responsibility.

Vision: To maintain responsible fishing through time providing with a worthy way of life that contributes to maintaining the biological and cultural marine resources while improving the living conditions of our fishermen.

Objectives:

- To improve the living conditions of their members and fishermen in general.
- To contribute that their members keep on practicing fishing in a responsible way.
- To establish a marine area for responsible fishing in Tarcoles which helps stopping the decrease in the fishing activity
